

Blue Water Rest Home was founded in 1965 as a charitable Long-Term Care (LTC) home, and has provided high quality care for 50 years.

While government funding takes care of most basic needs for resident care, our special needs and special occasions are often funded solely by donations.

Our donor statement of intent is:

All donations are made for the benefit of residents and others that we serve.

There are many areas where donations can be made; you can see the list on the next page.

Examples of donor funding that have assisted us in the past include:

- Replacing all the resident beds,
- Illuminated street sign,
- Dishes for the dining rooms,
- “Enable” Table in Sunset Home,
- Salon Equipment,
- Courtyard Gazebo,
- Building Redevelopment.

Without the generous support of our donors, none of these projects would have been possible.
